To: Board of Education/Designated Representative
From: Parent/Legal Guardian
Re: Release of Liability

I understand that Argo Community High School will provide transportation for students on trips sponsored by the school. I wish to provide transportation or provide alternative transportation for my son/daughter for the scheduled school event. In addition, I realize that I will release Argo Community High School, District 217, its Board of Education, Administration, and Staff from any responsibility or liability whether that be financial or legal.
